

## CORPORATE MEETING PACKAGES

The Hidden Gem's banquet room is a 2400 square foot space with capacity to host meetings and events with a capacity of 50 - 150+ guests. This number is determined by the setup request. Long tables will be required for larger groups. The room features dimmable lighting, 2 projectors with large screens, and limited wireless internet access. Guests also have access to our terrace (weather permitting) which makes a perfect setting for coffee breaks and small breakaway sessions. Choose from one of our packages or let us customize a package just for you! Ask about our Large Screen TV with Camera for a live stream meeting option!
