

DECORATIONS

Costs below do not reflect Sales Tax (6%) nor Service Charges (20%)

We sit down with each client to determine his/her vision for their special day. To get started, we ask clients for a theme and/or color scheme. If necessary, we have them show us photos they like from our website or social media accounts or they can find inspirational photos they like from Pinterest, Google, etc.

If requested, we provide at least one mockup (in person or virtually depending on availability). Mockups may require an additional fee (the purchase of real florals for example). Formal estimates are provided once we have settled on a final decoration plan.

Each of our pre-set packages has a set decoration budget. Clients can elect to increase that number if it is determined that their desired decorations exceed that maximum.
