

CORPORATE MEETING PACKAGES

The Hidden Gem's banquet room is a spacious functional room with capacity to host meetings small and large (up to 200 with long tables). The room features dimmable lighting, a projector with a large screen, and wireless internet access. Guests also have access to our terrace which makes a perfect setting for coffee breaks and small breakaway sessions. Choose from one of our packages or let us customize a package just for you! Ask about our Large Screen TV and Camera for a live stream meeting option!
