## DECORATIONS

We sit down with each client to determine his/her vision for their special day. To get started, we ask clients for a theme and/or color scheme. If necessary, we have them show us photos they like from our website or social media accounts or they can find inspirational photos they like from Pinterest, Google, etc.

Each package has a maximum decoration budget. Clients can elect to increase that cost if it is determined that their desired decorations exceed that maximum.

Standard Centerpieces = Simple centerpiece with limited setup requirements

“Custom” Decorations/Centerpieces = Décor that must be ordered or created
