VENUE FEES AND INFO

Room-only options are available for events that are not planning to serve any food at all. Room fees are often reduced when booked with additional services.

The Hidden Gem offers full in-house banquet services. If you do not see a desired food item on our menu (located on our website), please contact us to create a customized menu to meet your needs and budget. We offer both onsite and offsite catering!

Outside catering is permitted at our venue only when The Hidden Gem is unable to accommodate a menu request (typically authentic cultural cuisines). When permitted, outside food must be provided by a Licensed and Insured Caterer. Food must be cooked at the Caterer's place of business. Food must arrive on site hot and ready to serve buffet style. All serving equipment and setups must be provided by the Caterer. We do not permit use of the kitchen. We do not permit outside drinks under any circumstances.
